SENIORS

Sarah Dudick - I'm currently a senior at Wilkes-Barre Area High School. In the fall, I will be going to Bloomsburg University to study International Business.

I've been dancing for 16 years, ten of those years at Live Love Dance Studio. I first started dancing at Joan Harris, and realized that wasn't the right fit for me. I then went to dance with Miss Janet at Dance Contours until they closed their doors in 2014. I continued to dance with Miss Janet at Live Love Dance Studio and found my people. I have loved every minute dancing with my LLDS dance family. To everyone after I graduate, break a leg while I'm gone!

Class of 2024

Alivia M. Gregorowicz - When I was in preschool I attended my first ballet class. Throughout my childhood, I danced at several different studios and learned a variety of dance styles. I enjoyed participating in jazz, hip hop, ballet, and most recently added pointe. In addition to my love of dance, I have participated in gymnastics, cheer, and other hobbies such as equestrian and pottery. My most enduring quality has been my

scholastic and academic abilities. I have been a high achiever since early childhood and have maintained achievement within the top tier of my graduating class. Following graduation this year, I will be attending the health sciences program at Johnson and Wales University. I aspire to be a medical doctor with specific interest in surgical specialization. I also enjoy volunteering with Key Club and tutoring the younger generation.

SENIORS

Aaralynn Mbaye - Most people call me Ari.

I am a senior at Wilkes-Barre Area High School and I've been dancing for 15 years. I became a part of the Live Love Dance Studio family in 2018. I cherish all the friendships I have made while dancing at LLDS. I currently take classes in ballet, pointe, lyrical, jazz, and tap. Aside from dance, I led the Wilkes-Barre Area High School girls' tennis team as captain in 2023 and managed the boys' team for the past two years. Further exploring my creative side, I've recently taken up pottery classes at The Peaceful Potter. As a long-standing Girl Scout since Kindergarten, I'm working on my Gold Award and will complete that this summer. This fall, I'll be attending LCCC majoring in the culinary arts. I would like to thank my parents for encouraging me to try new things and supporting me in everything I do. My family and friends have been my biggest fans along the way and for that I thank you. I would also like to thank Miss Janet, Miss Marikate, and all the other great teachers along the way. You have been there cheering me on every way you can and helping me to keep dancing for so many years.

Angelina Opachko - Hello, I am

Angie. I have been dancing since I was three years old. Over the last fifteen years I have taken classes in ballet, pointe, jazz, hip-hop, lyrical, and tap at three different studios. I have enjoyed every bit of this past time and cannot thank the LLDS family enough. Besides dance I also have been involved in track, swim, and Girl Scouts. My other hobbies include hiking, kayaking, biking, camping, and baking. Post graduation, I will go to University majoring in civil engineering.

SENIORS

Cienna Pace - I started dancing when I was just two years old. My love of dance began with one tap class. This class then turned into several classes and then led to competition. I was a competitive dancer for many years. Not only did I win numerous trophies, I have also titled several times for tap, hip hop, and other categories. Once my competition journey ended, I decided to focus on performing. Even though my absolute favorite styles of dance are tap and hip hop, I am currently training in every style. I have been at Live Love Dance

Studio for the past three years. Along with being at the studio, I travel to various locations and attend many dance conventions, master classes, and auditions. I have had the opportunity to assist my favorite choreographers from Los Angeles, New York, and Maryland for their master classes. My future plans are to attend college for four years studying broadcast journalism and dance. I also plans on joining dance teams and ensembles. I have recently been signed with an international talent agency for dancing, modeling, and acting. I have been invited to go to Florida to represent my agency after graduation and pursue my dream.

A Message to Our Students

Miss Janet – To my staff, students, and parents who make all this possible, I can't thank you enough. I can't believe it's already our 10th annual dance recital! I love watching the students grow and progress. I am truly blessed. Break a leg everyone!

Miss Marikate – "Don't try to dance better than anyone else, try only to dance better than yourself". I hope that all my dancers this year feel they have accomplished just that for their recital this year. I am so grateful that I have the opportunity at Live Love Dance Studio to share my passion for dance and the arts with my students. You should all be so proud of the hard work you put in this year, and especially within the last month. I am proud of the growth in my 13+ classes who were all pushed this year to dance their hardest and to make sure they enjoyed every step along the way. To my advanced students, I will always be proud of the effort you put into learning new things and making sure you show up to learn and grow as dancers and individuals. Break a leg to you all and I hope to see you all again soon!

Miss Bella – Proud of all of you each and every day. Keep up the good work! I'll see you all next year.

Miss Michaela – It is always such a joy watching my students grow into the amazing dancers that they are! I love and cherish every moment I spend with each and every one of you. The hard work you put in is so appreciated and shows in the end. Hope you all have a great summer and see you next year!!

Miss Michele – To all my incredible students, it's an honor every year to watch you all learn and grow. Thank you for all of your hard work, determination, and for teaching me as much as I teach you! I love watching you all shine on stage! See you next year!

Miss Alysse – Dancers! What an incredible year! Some of you have only gotten started with dance while others have been at it for years now. Either way, it has been an honor and a privilege to watch you grow in technique and ability. Thank you for sharing your hearts of dance with us!

Miss Courtney – Dear dancers, I'm so proud of all your hard work! Stick all those moves and put your best foot forward. Congratulations on such a wonderful dance year!

Miss DaVae – I am SO extremely proud of all of the LLDS dancers, but I'm exceptionally proud of my Tuesday, Wednesday, and Thursday classes. I am so excited to watch you take the stage and shine like the STARS that you are! What a fantastic year we've had, until next year Live Love Dancers! <3

Miss Sam - I am very excited to see all of my dancers shine on stage! They've been working very hard this year and I can't wait to see it pay off. Good luck everyone, and congratulations!!
